

We would like to wish all our pupils and families a Happy New Year and hope you all had a wonderful Christmas break .

Attendance

We would like remind parents and families that good school attendance is essential in supporting your child's learning and progress in school. Our attendance figures are sitting below the national averages and currently at 94%.

This is something that we will be striving to improve over the course of this term!

At the end of each half term the class with the highest attendance are rewarded with an additional sports session with Soccer 2000!

Thank you!

We would like to take this opportunity to thank all parents and families that supported us in attending the Christmas Fair. This was a huge success , staff and children thoroughly enjoyed the afternoon and we are keen to make this an annual event at Berrybrook.

You supported in raising an enormous £578.

This money will now be invested into improving our school library.
