We would like to welcome all of our children back to school this academic year and hope that everyone had a wonderful summer break.

## Meet the Teacher

We would like to invite parents from Years 1-6 to come in and meet the teacher on

Teachers will share any key information that you may need to know in their presentation.

I would like to thank all parents for their patience and understanding regarding gate changes at the start and end of the school day to ensure we continue to safeguard children to the best of our ability .

Unfortunately over the summer holidays school suffered a significant amount of vandalism, we are working hard to get our school back to normal.

If any parents have information that may support us in helping the police to prevent this from happening again, please contact the school office or Miss Pritchett.

Over the next few weeks, we will be voting across school for our new Head Boy and Girl, new House Captains and our School Councillors. Please encourage your children to consider whether they would like to take on these roles in school.

Please can we request that parents ensure we have the most up to date contact numbers at the office please.

If you have had any changes to contact details please see Mrs Wildman in the school office.

### Good News !!

The inside of school is now looking great following work completed over the summer on flood damage. I would like to commend the children on how sensible and adaptable they were during the summer term with all the changes we had to make.

In response to feedback on parent questionnaires, we will try our best to improve communication with regards to key dates. Starting as we mean to go on, we have booked in dates for Christmas productions.
