

Part of the Maths Circle Ltd Group.

Times Tables Rock Stars

All pupils from Years 1-6 at Berrybrook have a login for Times Tables Rock Stars. This website allows pupils to learn and practise their knowledge of multiplication facts. The teachers have set times tables that are appropriate to year group each pupil is working in.

Login details have been sent home with all pupils; however, you will be able to call the front office of Berrybrook to find out this information.

This is available to play from the TTRS website (<https://play.ttrockstars.com/>) or on apps for mobiles and tablets (App Store, Google Play and Amazon).

NumBots

NumBots is an online learning platform that focuses upon number bonds, addition and subtraction. This is part of the same company as Times Tables Rock Stars website, which has been made freely available to us on a trial basis during the closure.

Login details for NumBots are **the same** as those used for Times Tables Rock Stars.

This is available to play from the NumBots website (<https://play.numbots.com/>) or on apps for mobiles and tablets (App Store, Google Play and Amazon).

MyOn Reader

MyOn is an online learning platform that allows pupils to read books online and answer quizzes based on them. The books that are in their recommend library link directly to each pupil's current reading age (if they took the reading assessment when at school).

Login details have been sent home with all pupils (on/in reading diaries) and with home learning packs; however, you will be able to call the front office of Berrybrook to find out this information.

This is available to use from the MyOn website (www.myon.co.uk) or on apps for mobiles and tablets (App Store and Google Play).

Purple Mash

Purple Mash is an online platform that offers learning opportunities across the whole curriculum (Parent Guide - <https://2simple.com/purple-mash/purple-mash-parents/>).

Login details have been sent home with pupils and activities will be set by their teachers and allocated to each pupil. You will be able to call the front office of Berrybrook to find out login details if you need them.

This is available to use from the Purple Mash website (<https://www.purplemash.com/sch/berrybrook>).
