

# Terrific for Twos Project

In Twos, we are creating a display on the nursery rhyme 'The Wheels on the Bus'. We would love to hear about your child's experience of any transport that they may have been on. You could ask them questions such as;

"Where did you go?" "Who did you go with?" "Did you need a ticket?" "Did you have to pay?" "Did you go in a car or on a bus?" (You could change the mode of transport to suit the experience).

## Mini Challenge!

Can you draw/make a bus?

You can draw a bus, make a bus out of junk modelling, building blocks, or anything that your child thinks is a bus.

We would love to see any pictures of the buses that your child creates.

## Imaginative play!

Why not pretend to be on a bus at home! Make some tickets, find a pretend steering wheel and go on an imaginative adventure.

You could use language such as next stop, tickets please, ring the bell, and doors opening/closing to support their play.

We would love to hear all about their adventure!

The following links support our project and will hopefully be beneficial to your child(ren) supporting their learning;

- The wheels on the bus nursery rhyme:

- Bing- Bus ride Episode:  
<https://www.bbc.co.uk/iplayer/episode/m000bk0v/bing-series-2-14-bus-ride>

Thank you for your support

## Playdough recipe-

2 cups of flour

1/2 cup of salt

1 cup of water

1 Tblsp of cooking oil.

Food colouring is optional

Mix together... and tadah you have playdough!
