

## [SEND Learning Support Materials](#)

During this time we are aware that your child may not have access to interventions they usually receive such as speech and language therapy.

The Oak National academy is providing online lessons for parents who have children that may require specialist input. They have released a range of lessons to support children with special educational needs in the following areas:

- ✓ Communication and Language
- ✓ Creative Arts
- ✓ Independent Living
- ✓ Numeracy
- ✓ Therapies e.g. Social Stories

The link to access the learning materials is: <https://www.thenational.academy/online-classroom/specialist/#subjects>

It may be beneficial to watch the videos before completing the learning activities with your child as you may choose to do them in smaller sections or present them to your child in a way that you feel is more appropriate for their style of learning.

We hope you find the resources useful, please let us know how you find them.
