

Fantastic Mr Fox Book Review

A Book **Review**, by Mike Smith

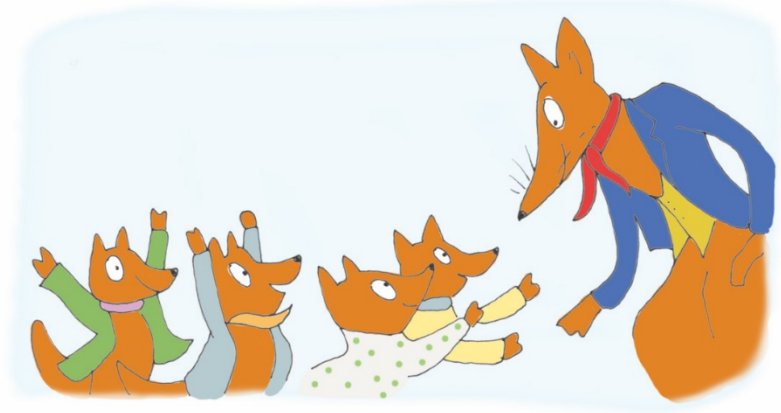

Title: Fantastic Mr Fox

Author: Roald Dahl

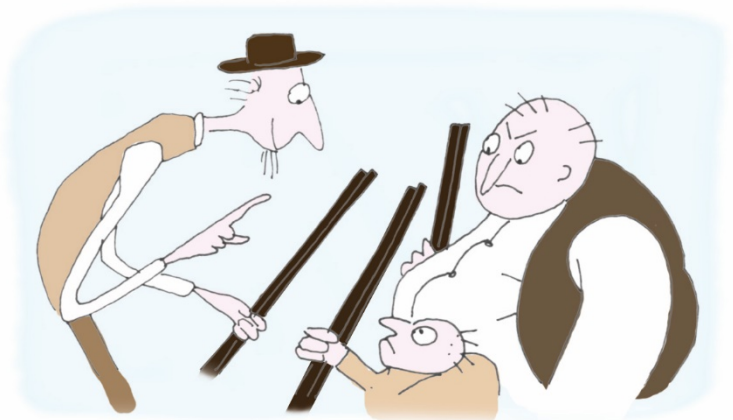

Characters

My favourite character is Mr Fox. He's funny, clever and cheeky too. I think he's a kind fox. **Stealing** is bad but he was looking after his family.

Boggis, Bunce and Bean are the **worst** characters. They are not very clever and they were hunting Mr Fox and tried to kill him! They shot off his tail but they still could not stop him.

My Likes

I liked the **illustrations** by Quentin Blake. They helped me to **imagine** what the characters would look like if they were real.

I liked the end of the story too when Mr Fox and his family were happy.

My Dislikes

I did not like it when Mr Fox's tail was shot off. I did not think the farmers were nice at all. I did not like it when the family had no food because they were really hungry.

My Favourite Part

My favourite part was when Mr Fox's friend, Badger, came to help. He was a friendly character and Mr Fox would not have been able to feed his family without him.

I would **recommend** this book to all of my friends.
