Hi!

I am _____ years old.

Hello!

This is my Nursery / Pre-School

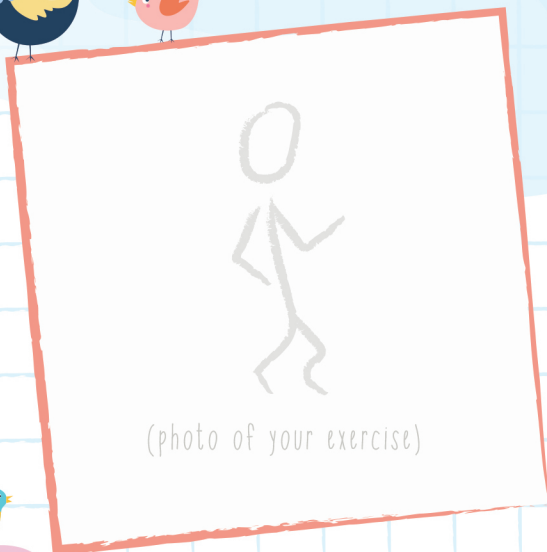

(photo of your Nursery / Pre-School)

Because of a coronavirus called COVID-19,
I haven't been there for a very long time.

We have been staying at home to stay safe.

We have been allowed one form of exercise a day...

When we have been out we make sure to stay
2 metres apart from other people.

We make sure we wash our hands properly - for
as long as it takes to sing 'Happy Birthday' twice.

Here are some things I've been doing during lockdown:

Some things will be different...

What will be
different at
your nursery?

Lunch will be in
a different swamp!

...And some things will still be the same:

What will be
the same at
your nursery?

For instance...

I will go in
on the
same days!

Most importantly, these friends will be going back to
Nursery / Pre-School with me.

The best thing about being at home has been...

I feel about going back to
Nursery / Pre-School because

When I go back to
Nursery / Pre-School I am looking forward to:

Last day of lockdown!
