If you child has any one of the following symptoms :

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Do NOT bring them to school, inform school, get a test booked and inform school of the result.

Contact numbers

It is essential that school have all up to date contact information for parents and carers. If you have changed your contact number or have not received text messages since the start of the academic year, please contact the front office to check we have the correct contact details for you.

Communication from school

All communication from school will now be done electronically. Please ensure you check the school website or school app regularly. Please also remember that we now have out class email addresses that were set up during school closure. Please see below :

PE

All PE lessons in school will be done outside. On your child's PE day, we are asking that children come to school wearing black, grey or navy jogging bottoms and trainers. Each pupil already has their own PE t-shirt in school to change into, this will not be worn by any other child and kept in their individual PE bag within school.
