

Nursery Curriculum Newsletter

Autumn Term 2020

Our Curriculum

During our first half term, we will be completing the topic 'All About Me'. We will be talking and learning all about ourselves, our homes and our families.

During the first half term, there will also be a focus on communication, social and physical development. By developing these skills at the start of the year we hope that children will become more independent within the Nursery provision and develop skills in a range of areas.

After the October half term holiday, our topic will be 'Wonderful Woodland'. During this topic, we will be learning about woodland animals and will participate in some 'Forest School' activities to enhance our learning experiences.

Our Stories and Rhymes

Each week in Nursery we will be focusing on a story and Nursery Rhyme.

Some of the stories we will be sharing this term are:

- The Tin Forest
- Silly Billy
- While We Can't Hug

We will also be sharing well-known nursery rhymes including:

- 1,2 Buckle My Shoe
- Miss Polly Had a Dolly
- Humpty Dumpty

Working in Partnership with Parents

As we are unable to conduct stay and play sessions at the moment as we normally do, we are asking for Parents/Carers to keep in touch with staff using the nursery class email address which is: bps.nurhomelearning@perryhallmat.co.uk If your child has met a milestone at home or has developed a new skill that you are proud of, please send us a photograph and short description to the email address above. We will then include these learning moments in your child's Learning Journey.
