

### Our Curriculum

Our topics this term are 'All about me' and 'On the farm'. Through these topics the children will be ...

- Using their senses to explore the season of Autumn, talking and observing how the natural world changes as well as learning about harvest time.
- Continue to practice writing their name, learning new letter sounds and using them to read and write words.
- Working on counting accurately to 20 and learning how to touch count objects. We will also be learning to recognise numerals 1-10 and use them to represent how many objects we have.

This term we will be promoting children's communication and language and personal, social and emotional development by encouraging them to talk to and play cooperatively with others.

### Our Stories

- Tin Forest
- Silly Billy
- While We Can't Hug
- All Are Welcome
- The little Red Hen
- The Gruffalo
- Stick Man

### Counting Rhymes

- 1,2,3,4,5 once I caught a fish alive.
- 1 potato, 2 potato
- 5 current buns

### Working in Partnership with Parents

During this half term we would like you to help support your child's learning at home by:

- Singing Nursery rhymes and counting songs.
- Encourage and support them with writing their name accurately.
- Encourage and support them to take their jumper off and zip up their coat independently.

### Other Important Information

Please ensure you label your child's uniform, coats, water bottles and lunch boxes with their **name**. They are learning how to take responsibility and look after their belongings, so this will really help to support them in doing this.

We are really proud of how well the Reception children have settled into school, adapting to and following all the new routines, class and school rules. Well done!
