## Arrangements for School Return on 8<sup>th</sup> March 2021

Dear parents and carers,

Firstly, I would like to thank you for the incredible support that you have given to your children with remote learning over the last few months. We are looking forward to welcoming all pupils back to school on Monday 8<sup>th</sup> March.

The detail below is provided to remind parents of our procedures when on the school site. We hope to reassure parents and carers of the steps which are being taken will continue to limit the spread of the virus.

Our one-way system when entering and exiting the site will continue. All parents/carers **MUST** adhere to the one way system. Enter via the main top gate on **Underhill Lane** follow the path down onto site and walk around, exiting via the **car park gate**. This is essential in supporting us to limit the risk to yourselves and others.

Only one adult will be allowed on the school site for each family when dropping off or collecting children at school. All parents must maintain 2 metre social distancing from others on site.

We ask that parents/carers **do not** gather by the top gate at the start or end of the school day

We continue to have staggered drop off and collection times at the start and end of the school day. The time and place you will need to drop off and collect your child(ren) can be seen in the table below.

**It is essential that you make sure your child arrives at school on time and are collected at their specified times. If there is an urgent/unavoidable reason that you will be late, please call the front office to notify us prior to the specified time.**
