

Dear Parents/Carers,

I would firstly like to begin by thanking all of our families for their ongoing support and patience during the past year.

I would also like to take this opportunity to give my thanks to the staff for their continued hard work and dedication, especially during a year where it they have had to learn to teach virtual live lessons whilst also teaching children of key workers in the classroom.

As we did last year, we have uploaded our Meet the Teacher presentations with teacher voiceovers onto our school website. These can be found within the parents section under Class Information 2021-2022. Please take time to listen to these presentations.

I am happy to inform you that all of our staff are continuing with us here a Berrybrook next year and you will find the details of class teachers and support staff below.
