Dear Parent/Carer,

As I am sure you are already aware, Berrybrook works with many external agencies to support our children and families. One of the agencies we work in partnership with is West Midlands Police, specifically on a project by the name of Operation Encompass. This project involves school receiving a notification when a child or young person has been exposed to or involved in any Domestic Violence incidents.

As always, we aim to give all child the best start to education and ensuring they are confident, happy individuals. We take pride in their on-going positive development and as a school we have a duty to support your child within any sensitive issues which may arise.

We advocate supporting the children and families at Berrybrook and a named Police Officer will share information in confidence with the Designated Safeguarding Lead. Please remember that we offer a listening ear, support and advice to the whole family, with this service being treated as highly confidential.

We are keen to work in partnership with the Police and feel this will be extremely beneficial for all those involved.

Please feel free to contact school if you would like any more information.

Yours faithfully,

Mr A Smith

Acting Head of School
