

June 2022

Dear all the pupils and staff at Berrybrook Primary,

We would like to send you a huge thank you for the £50 you raised to support our projects in Ethiopia.

The money you raised has and will continue to help support libraries in Ethiopia. Over the year, we have supported librarians in 34 libraries. On average approximately 18,000 students access our libraries per month and over 1000 books are borrowed monthly. Our data shows that those students who access the library regularly improve their grades. We have also improved 11 school libraries with more books and furniture.

We have piloted girl's tutorials in six schools to improve girl's literacy and the results have been outstanding to support girls in particular to develop basic reading skills.

We hoped you liked the Elizabeth Laird books we gave you

A huge thank you again
