Mobile Phone and Camera Use on School Premises

Dear Parents/Carers,

Concerns have been raised from parents that other parents have been taking photographs whilst dropping off or collecting children from school. Please may we remind you that no photographs or videos should be taken of **children other than your own** whilst on the school site, no matter the relationship.

I am sure you will support us with this matter as we continue to safeguard the children at Berrybrook in line with our Trust Safeguarding Policy, which states:

“All parents and visitors are asked not to use mobile phones when visiting the schools within our Trust”.
(Section 25, Perry Hall Multi-Academy Trust Safeguarding Policy)

Thank you for your continue support.

Yours faithfully

Miss E Pritchett

Head of School
