Friday 4<sup>th</sup> November 2022

Dear parents/ carers,

I am thrilled to be able to share Berrybrook's Ofsted report following the inspection which took place on 4<sup>th</sup> and 5<sup>th</sup> October 2022 and to inform you that 'Berrybrook Primary School continues to be a good school'.

The experience was and following report is resoundingly positive and Perry Hall Multi-Academy Trust and I are tremendously proud of all of our pupils and staff. The inspector spoke to children from throughout the school and was incredibly impressed with how confidently and maturely they could all discuss the knowledge and skills they gain from lessons, how strategies from SUMO support their emotions, how visits, visitors and extra opportunities give them a broader knowledge and understanding and how what they learn in school will help them to achieve their personal aspirations for the future.

This report is not based on only 2 days, it is due to the hard work by the school community, both past and present, since joining PHMAT nearly 10 years ago. I would especially like to thank Miss Pritchett for her support and guidance during her time as Head of School and for returning during the inspection to add her knowledge of Berrybrook from her time here.

Please take the time to read the report and thank you for your continued support, including completing and helping your children in completing the Ofsted surveys, this report not only reflects our school, Trust and pupils but also our parents and carers.

Thank you again, happy reading.

Mr A Smith

Head of School
