

Wednesday 2nd November 2022

Dear parents/carers,

This year, **Maths Week England** is running from 14th to the 18th November 2022 and Berrybrook will be celebrating this week by linking most of our curriculum lessons in that week to Maths. Across school, children will take part in a range of activities, for example: learning numbers in Spanish, reading Maths stories, experimenting in Science, learning about famous Mathematicians who have contributed significantly to our lives and learning maths skills from the past in History.

To begin this celebration week, we will once again be holding a **Times Table Rock Star Day** on **Friday 18th November** and we are inviting all pupils and staff to come dressed up as a Rock Star. Please be as creative as you can be for your outfits (age appropriate). We will **not be asking for donations** for this day.

Below you will find some photos, which aim to give inspiration for the Rock Star outfits:

Please remember it will be November, so it will be quite cold, so consider this when choosing outfits.

Let us know if you have any questions.

Kind Regards,

Mr A. Smith

Head of School
