

June 2023 Information Newsletter

Following feedback at the recent parent consultation evening, the monthly newsletter will be more focused on upcoming events and news, with a half termly newsletter being created with celebrations of the children's work.

Attendance and Lates

Although our attendance is currently better than last year, figures are not as good as they should be:

Current Attendance = 93.25% (National Average = 96%)

Remember that gates **close promptly at 8:45am** and any children coming to school after this time receive a late mark in the register.

Transition 2023

Following the inset day on Monday 17th July 2023, all classes will spend the final week and 2 days in their new classroom with their new teaching staff. This will help children and staff to get to know each other and prepare to return in September ready to learn.

Photographs

Please remember that **no photographs** should be taken of other children whilst on the school site, no matter the relation. As not all parents agreed to photos being taken at events, **please do not take photographs during any assemblies, plays etc.** There will be time afterwards to take photos of your child.

Important Dates

5th June - All children return from half term

5th - 16th June - Year 4 Multiplication Checks Weeks
