Dear Parents/Carers,

We would like to invite you to a meeting to update you about how we teach the statutory requirements for Relationships and Health Education (RHE) in primary schools, which became statutory from September 2020. These topics and others are taught within our school Personal, Social, Health and Economic (PSHE) curriculum using a scheme of work called SCARF to support teaching and learning, that is used by many schools across the country.

Some parents will recall that we held a formal consultation on the content of our school's Relationships & Sex Education (RSE) Policy back in February 2020 but we wanted to take the opportunity to invite all parents and carers into school to attend a short information session to find out about our approach to delivering PSHE, including statutory RHE and additional sex education lessons in Year 6. There will also be an opportunity to ask any questions that you may have about the topics we cover in PSHE lessons and view some examples of the resources we use.

This PSHE information session will take place in school on Thursday 26th October from 2.25 pm – 3.25 pm.

If you would like to attend, please complete this form <https://forms.office.com/e/EnVp82TXBK> no later than Tuesday 24th October. We hope you can come along and look forward to seeing you there.

If you have any questions regarding PSHE, or are unable to attend this session, then please contact our PSHE lead Miss Potts through the school office.

Yours sincerely,

Mr A Smith
Head of School
